Dr. Agnes Elizabeth Henderson started Mure Memorial Hospital in 1896. Since then Mure Memorial Hospital has been serving the needy people in and around Nagpur continuously. Initially a 24 bedded setup, today it is a 165 bedded-General Hospital. It has facilities for a wide range of specialties with necessary diagnostic and supportive services.

School of Nursing part of Mure Memorial Hospital is imparting and grooming Nursing students in the field of nursing since 1924. It is affiliated to Maharashtra Nursing Council and Indian Nursing Council.

Objectives

1. To instill and develop in the students an aptitude for Nursing and to provide the necessary knowledge and skills, to give a comprehensive Nursing care to the patients in all types of illness.

2. To develop skills in recognizing and interpreting intelligently the physical, mental, and emotional manifestations of illness and be able to plan individual nursing care to patients based on their unique needs.

3. To train students to work in mutual cooperation with medical and Paramedical personnel and participate in various programs for prevention of disease and promotion of health in the community.

4. To help the students integrate principles of mental hygiene ethical & moral code involved in the practice of a Nursing.

5. To help the students practice and teach others about the principles of healthy living.

6. To prepare students to be interdependent in their field of work and to become gradually independent and self-supporting financially after the training period.

7. To help the students to develop extracurricular activities.

8. To develop the individual to be sensitive to the rights of others and conscious of her duties and responsibilities to her own profession, fellow men and her country.

9. To strive to emulate the divine Physician of Souls, recognizing God in the person of the sick and needy.
